

GLYD® Ring is a registered trademark of W. S. Shamban and Co., Los Angeles, CA, USA

Sun offers replacement seal kits for all cartridge models. These kits include all of the external seals on the cartridge along with installation instructions. Seal kits are available in Buna-N and Viton for all models, along with EPDM and polyurethane for many models. Please note: Converting the external seals from one material to another does not ensure fluid compatibility with that material due to the existence of internal seals within the cartridge.

- NOTES:**
- Install back-up rings and O-rings as shown in views.
  - When installing continuous back-up rings, use the same technique and the same care used to install O-rings.
  - After installing the GLYD® Ring, size it to restore original shape and to prevent damage during cartridge installation.
  - When installing cartridge - be sure to torque to recommended value.
