

CONFIGURATION

NOTES: <small>Modifier</small>	<ul style="list-style-type: none">Stack height value in technical data table includes seal retainer plate.This installation requires a retainer and seal kit which are purchased separately. See "Related Accessories" section.
<ul style="list-style-type: none">Important: Carefully consider the maximum system pressure. The pressure rating of the manifold is dependent on the manifold material, with the port type/size a secondary consideration. Manifolds constructed of aluminum are not rated for pressures higher than 3000 psi (210 bar), regardless of the port type/size specified.	

MODIFIER	(/S3)
